

YPI Camera Club Programme 2017–2018

Unless otherwise stated, all meetings are held from 7:30 pm to 9:15 pm at the Darby and Joan Hall, Cottingham.

In addition to the main topic of each meeting, there is always an opportunity for discussing any technical problems or for showing member's AVs on any subject. This applies particularly this season where there are a lot of set subjects which may not be to your taste. If you simply want to watch what others have produced then that's fine - it may encourage you to produce one of your own!
